Integral and Evolutionary Spirituality—Meets in Sanctuary

Today is the second in the Evolutionary Christianity series. Greg Newswanger will share audio clips of a John Shelby Spong interview with Michael Dowd that touches on Darwin, church, post theism, and being a 21st century thinking Christian. Evolutionary Christianity is in the stream of Integral Spirituality that attempts to reconcile science and religion and recognizes humanity as an evolving process.

Welcome and Call to Worship

Congregational Reading Matthew 7: 1–12

Do not judge, so that you may not be judged. For with the judgment you make you will be judged, and the measure you give will be the measure you get. Why do you see the speck in your neighbor's eye, but do not notice the log in your own eye? Or how can you say to your neighbor, "Let me take the speck out of your eye", while the log is in your own eye? You hypocrite, first take the log out of your own eye, and then you will see clearly to take the speck out of your neighbor's eye.

'Do not give what is holy to dogs; and do not throw your pearls before swine, or they will trample them under foot and turn and maul you.

'Ask, and it will be given to you; search, and you will find; knock, and the door will be opened for you. For everyone who asks receives, and everyone who searches finds, and for everyone who knocks, the door will be opened. Is there anyone among you who, if your child asks for bread, will give a stone? Or if the child asks for a fish, will give a snake? If you then, who are evil, know how to give good gifts to your children, how much more will your Father in heaven give good things to those who ask him!

'In everything do to others as you would have them do to you; for this is the law and the prophets.

Children's Time Chad Martin, First Service
Don Stoltzfus, Second Service

We value children's participation in worship.

This is a sacred time, and children's ideas and questions come from earnest seeking. During this time we ask you not to laugh, but invite you to listen and see with the ears and eyes of a child.

Afterward, children age 4 and under may go to childcare. Activity sheets are available for others through grade five,
